

Pricing for Fusion licenses is determined by the number of Fusion instances you intend to deploy. Each deployment of Fusion requires a separate license. There are no restrictions on the number of Nagios Core, Nagios XI, or Nagios Log Server instances that can be integrated with each Fusion deployment.

Regular Price	
1 Instance	\$2,495
Non-Profit Price	
Contact our sales team for information	

What comes with your license?

- + 1 Year of Maintenance
- + 1 Year of Ticket Support (Up to 10 Incidents)
- + Access to our Customer Only Support Forum
- + Perpetual License
- + Product Influence

Renewals

Renewal of Nagios Fusion provides you with the ability to upgrade your installation with the latest version releases, features, and bug fixes to ensure your environment is safe and secure.

Maintenance & Support renewal provides you with access to new version upgrades of Nagios Fusion for one year, along with direct ticket and Customer-Only forum support.

Maintenance Only renewal provides you with access to new version upgrades and security updates of Nagios Fusion for one year, but does not include Customer support.

Renewal Price	
Maintenance Only	\$745
Maintenance & Support	\$1,995

Support Options

Your Nagios Fusion license provides you with access to our Customer Support Center and up to ten support tickets per year, along with access to our expedited Customer-Only Support Forum. Both options carry a 1 business day response time guarantee.

Phone & Email Support

Need additional support? Gain access to additional priority support services-- the fastest way to get a response from our technical team. Support plans require an active license to use, and expire one year after they are purchased.

Phone Support Plan	
5 Call Plan	\$1,995
10 Call Plan	\$2,995
Additional Ticket Support	
5 Ticket Plan	\$995
10 Ticket Plan	\$1,495
